

Welcome and thank you for making the time to join us tonight. I am very excited about this upcoming season. Please feel free to ask questions. This paper includes a lot of information regarding the Fall season.

Summer Workouts

Summer workouts will be

July 12 @ 8-10am

July 19 @ 8-10

July 26 @ 8-10

August 2 @ 8-10am

August 9 @ 8-10am

August 16 @ 8-10 am

All tryout material will be taught on these two days and stunting will be evaluated.

August 22 @ 8-10

August 23 @ 8-10am

Location: The blue pad

These are not mandatory but highly recommended. I understand vacations are planned and things come up. The first game comes up very quickly and we will need to have a lot of material learned and mastered. During these workouts we will work on stunts, chants, tryout material and conditioning.

Tryouts

(This may change)

August 26 Tryout 8 am

Material Will be posted after summer workouts

You will try out in groups of three.

You will learn material at the summer clinics. Then Monday you will try out and stunt. You will know your team placement by that evening.

If you make the team Practices will begin Immediately

We may leave for camp on the 27

Practice Schedule will come out as soon as we know what is happening with camp.

Cheer Camp

Universal Cheer Association Jerry Preschutti

1 Chestnut Ridge August 26-29

2 Trails End Greeley PA

Leave 5:30 am Monday August 27 - August 30

We would return about 6 pm

Camp is 315\$ a cheerleader

Bus about 200\$ a cheerleader

We may be doing a pre order before tryouts take place for 4 shirts to have at camp.

You will need black shorts, Soffee or Nike pros are fine.

At camp, we will learn at least 3 new dances/ 3 new cheers/ 3 new chants. They will also work on, and learn new stunting. There is a lot of team bonding.

If there is any concern of not being able to attend camp because of financial or other reasons please reach out to me asap. We want ALL cheerleaders to attend camp and not miss out on this amazing experience.

Practice schedule will be released shortly. You must have a certain number of practices in, in order to take the field. Camp days count as Practice days. Once our practice schedule is given we expect all cheerleaders to be in attendance. The only excusable excuses are school related activities ex band or chorus, Family Death or sick and didn't attend school. Please plan doctor's appointments accordingly. If a cheerleader is not in attendance for the practice before a game, they will have to sit out the game/ or competition.

Competition

- There will be 3 or 4 Game day cheer competitions in the fall. Once the dates are given, I will pass along.
- We may be doing things a little different this year. We may hold a separate tryout once back from camp to make a game day squad. This is depending on numbers for the upcoming season.

*We Will be hosting a Game Day Competition on Wednesday October 2. Every cheerleader will have to help. I will also need a lot of help from the parents. I would like to put a committee together. This could be a great fundraiser for us to help build funds for the program and camp.

There will be items of clothing that will need to be purchased. We will put an order in by first week of September. When the weather turns and the evenings are cold, it's nice to have warmups. Sneakers and bows must be ordered every year, but if you have cheered in our program in the past you will not need to order a new warmup/ gloves/ headband if you still have and they fit.
