11/18/2020

Dear Kaegebein Elementary Families,

I hope this email finds you and your family doing well. I want you to know that we truly appreciate your partnership and support over the past couple of months as we utilized our hybrid and/or virtual learning at Kaegebein. We will continue to work to improve your experience and feel connected to Kaegebein during remote instruction!

We have been working to prepare a virtual learning plan that families and students will benefit from during remote learning. Our virtual learning plan will be highly structured with embedded live instruction throughout the day. If you do not see your child's teacher's name listed in the schedule below, they will be reaching out to you with their schedule.

### **Monday, Tuesday, Thursday, Friday**

- Students will have synchronous (live instruction) for their morning meeting.
- Students will have synchronous (live instruction) for 3 of their academic blocks in Reading, Writing, Math, or Science/Social Studies throughout the day.
- Students will have an asynchronous (independent work) session for 1 of their academic blocks.
- Students will have synchronous (live instruction) for small group instruction.
- Students will have synchronous (live instruction) in their special area classes.
- If a student receives services such as academic support, speech, response to intervention in reading or math, occupational therapy, physical therapy, vision, hearing, counseling, or English as a Second Language they will receive a schedule with their designated times to meet synchronously (live instruction) with their service provider or teacher.
- Students will have lunch on their own and brain breaks (time off of the computer for the student) built into their schedule throughout the day.

### **Wednesday**

- Students will meet at their previously established google meet times with their teachers for ELA and Math.
- Asynchronous instruction (independent work) will be provided to the students.

General grade level schedules have been created and are posted below. The details of the schedule will be communicated to you by your child's teacher.

If your child participates in band or orchestra their teacher will be reaching out to them to schedule lessons virtually.

If for any reason you need to pick up your child's medication, please contact the school nurse.

**We will continue to use the hybrid model Thursday (11/19/20) and Friday (11/20/20). Our remote instructional learning plan will be on Monday, 11/23/20.**

Thank you for your continued support!  
Felicia Pallaci
