10/18, 10/27, 11/3

**This class is  
exclusively for  
Kaegebein students!**

## About Our Program

Idea Builders Lego Club is dedicated to nurturing your child's creative and critical thinking as we work with Legos.

Our weekly themes contain age-appropriate exposure to STEAM (Science, Technology, Engineering, Art & Design, Mathematics) concepts. Each week, students are introduced to a different STEAM connection through a mini-lesson.

Our program stresses learning through creative play, hands-on learning and social interaction.

**We provide thousands of Legos for hours  
of creative fun!**

**Sign up for classes at <https://grandislandcommmed.revtrak.net>**

**Registration is easy!**
