**Essential Questions:***Essential questions center around major issues, problems, concerns, interests, or themes relevant to the classroom. Essential questions should lead students to discover the big ideas. They need to go beyond who, what and where. They need to lead to the how and why.*

**What are the skills needed to play Team Handball?**

**What would the game of Team Handball be like without rules?**

**Big Ideas:** *These are what students will discover as a result of instruction and learning activities. They are the main ideas of the learning, the conclusions, or the generalizations. Big Ideas should be open-ended and apply to more than one area of study.*

**Ability to play Team Handball and understand skills and rules needed to be successful.**
