

Drug Trends and Paraphernalia

Where are we now?

What parents need to know!

This is a hands-on presentation of the latest trends in alcohol use by adolescents in the Grand Island community. Also discussed will be the trends for cigarette marijuana and prescription drug use to demonstrate how alcohol use impacts the use of other drugs. Included in the presentation is the paraphernalia that accompanies drug use. Participants can see first-hand what drug users use. The workshop is an educational, interactive experience that is designed to raise adult awareness of drug use today!
