

Hello, All,

My name is Judy Tafelski and I am the Assessor for the Town of Grand Island. This email venue was offered to us by the School Board at their joint meeting with the Town Board in an effort to keep people updated regarding our reassessment project. As you probably know this project began in April, 2012 so we are just in the early stages. The appraisal firm that was awarded this contract is Emminger, Newton, Pigeon & Magyar, Inc.(ENPM). This is a highly respected firm in Western New York who has performed the very same procedure in the Towns of Cheektowaga, Lancaster, Ellicottville, Almond and Newstead as well as the Cities of Tonawanda and Olean. All projects were successful and we are looking forward to the same result. Any questions or concerns you may have can be directed to the hotline number at ENPM at **716-712-5550**.

If any of you belong to a civic group and would like a presentation for your group just let me or Joe know and we will get it scheduled. Please feel free to call me at 716-773-9600 ext. 648 with any questions you may have and you may also call Joe Emminger of ENPM at 716-712-5550. Leave a message and he will call you back.

Thanks for your time
