

# The Intel® Security Digital Safety Program

**Monday, November 21, 7pm**

**Grand Island High School - Room 110**

This program gives educators and families the tools they need to empower kids to make smart, secure, and responsible decisions online. Gain the knowledge you and your kids need to be confident, safe digital citizens through a series of customized interactive resources and more.

**BRIDGE THE GAP**

62% of parents don't think youth can get into trouble online. Think again.

86% of youth post personal information online. Too much information?

48% of youth have looked up a site that their parents would disapprove of. Kids push the limits!

Almost 1/2 of youth have had negative experiences on social networks. Yikes.

Almost 70% of youth admit hiding online activities. Are you surprised?

46% would change their behavior if they knew their parents were watching. Get tech savvy.
