It's Parent Conference Time!

Dear Parents,

You are invited to one of the most important occasions of the school year- a parent-teacher conference. Conferences will be held on Monday, November 28 from 12:00-3:00 and from 4:00-7:00 p.m.

Conferences are held on a first come first served basis.

The parent-teacher conference gives you an opportunity to discuss your child's progress and bring up any concerns or issues you have. More importantly, you can talk about ways to work together to make this year as rewarding as it can be for your child.

Here are some helpful tips for a successful conference with your child's teachers:

Before the Conference

- Talk to your child about school- likes, dislikes, feelings
- Write down your concerns

During the Conference

- Discuss the concerns you've written down.
- Listen carefully to everything the teacher says and take notes.
- If you don't understand something, ask to have it explained.
- Ask for things you can do at home to help your child.
- Assure the teacher of your continued support.

After the Conference

- Talk with your child about the conference. Share any positive comments the teacher made. Let your child know you are proud!
- Follow up with any suggestions you and the teacher agreed upon.

Our Student Services Staff (counselors and the school psychologist) will also be available for conferencing.
