

Below is an example of a To Do List of additional resources. Feel free to complete online or print if applicable for additional practice with concepts taught during each topic.

When you have completed an activity go back to the previous page and click I'm Done.

If you would simply like to review or preview the videos shown at each lesson please click on EXPLORE. (Note: you will first need to click on To Do, then Click on Explore)

The video we watch should correlate with the homework. For example, if the homework is for pages coded 5-6 in the enVision book, click on Topic 5, then lesson 05-06 for the lesson video/slideshow.
